# CSR

**Our CSR program in education field is about becoming foster parents to support kids' education through local education foundation in Rote Island**

Rote Island is a part of Kupang district and is the southernmost island of Indonesia.

nüudo

CSR

## Why do we support education?

**We believe that education plays an important role in a kid's future. By getting proper education, we hope that we can help many kids to have brighter future and can make Indonesia a better country.**

*Nuudo is a brand by INC, a company specialized in producing and distributing goods for baby, kids and family. To see our company other's social responsibility program, please visit www.inc-brands.co*
