PRODUCT HIGHLIGHT: The Realest Lightweight Concealer
CAMPAIGN COMMUNICATION: "Rosé All Day did their homework!"
HASHTAG – TAGLINE: #TheRealestYou - Ace The Shades

DETAILED BRIEF (MANDATORY)

KOL must mention & give awareness on:

- Rosé All Day released **new packaging** of their award winning concealer. Mention that the faulty packaging has been an ongoing issue but RAD finally managed to find the solution, essentially: **Rosé All Day did their homework!**

- **NOTICEABLE DIFFERENCES BETWEEN OLD & NEW PACKAGING:**
  > packaging baru memiliki wand & aplikator yang lebih pendek, fleksibel & kokoh sehingga lebih tidak gampang patah. Dibandingkan dengan wand & aplikator packaging lama yang lebih panjang & kaku.
  > packaging baru memiliki lebih banyak ruang udara (mention: more air space) untuk mencegah adanya product leaking.

- Aside from fixing their packaging, Rosé All Day also launched **3 new shades**
  > **Ivory:** Very light skin with cool-pink undertone
  > **Oat:** Light skin with cool undertone
  > **Biscuit:** Medium skin with warm-olive undertone

- Inform which shade KOL is using. KOL is also welcome to give educational tips on how to find the right shade based on KOL's own knowledge.

- KOL is expected to compare the shade they currently use with the new shade that matches their skin tone better (eg. *KOL biasanya menggunakan shade Fair kemudian KOL bandingkan dengan shade Ivory yang baru, dan kalau lebih cocok KOL boleh berikan alasan*).
